

STUDENT TIMELINE: ALUMNI

PARTICIPATE IN ALUMNI WORKSHOPS

Neema organizes specific workshops throughout the year for alumni to attend. This is both a networking and skills building opportunity.

VISITS FROM NEEMA STAFF

Neema's Business Skills Development Mentor visits our alumni regularly to check on their progress, provide additional support, and encourage them in their professional development.

PARTICIPATE IN THE FASHION SHOW

Alumni are asked to participate in the fashion show by making signature pieces of their own

INDIVIDUAL COUNSELING

Our counselors are available to conduct individual counseling sessions in person or by phone with alumni to help them as they face new challenges in their life outside of Neema.

GIVE BACK BY MENTORING NEEMA STUDENTS

Alumni are asked to come and talk to First Year & Second Year students about their experience after Neema. They become inspirations for current students and a network to rely on after graduation.
